

Travelling information for arriving at Shenzhen University

- 1) **From Shenzhen International Airport:** The easiest way to the University is by taxi, which costs around 80RMB. You can also take the underground train inside the airport, which costs less than 8 RMB. Once you collected your luggage at the exit, just follow the sign (Fig 1) for Underground Train Station. You can buy a single ticket at the Service Desk for the destination of Shenzhen University. Fig. 2 is the underground train map. For your convenience, the red circled on top left is the Stop for airport, and the red circled on the middle left is the stop for you to transfer to Line 1, and the smaller red circled on the right is the Stop for Shenzhen University.
- 2) **From Hong Kong International Airport:** When your plane is landed, just follow the sign for “Boat Trip to Mainland” inside the airport. You buy a boat ticket to Shenzhen SheKou, which is 220 HK dollars a trip. Upon your arrival, the simplest way to the university is by taxi, which costs slightly more than 30 RMB.
- 3) The Research Institute is located at 4th floor in the Building of Computer Science & Software Engineering, the South Campus of Shenzhen University. *Miss Liang is your first point of contact, and her mobile phone No is: 13530039843.*
